## **EnergyTech University Prize Competition Info Session Watch Party**

**Attention ALL UMass Amherst Students & Faculty:**

Are you interested in participating in a competition to design a business plan for a promising new technology?

If you are a student scientist or engineer with a technology; or if you are excited to put together a business plan, consider participating with the Energy Transition Institute (ETI) for a watch party of the EnergyTech UP Competition Info Webinar.

**CLICK TO RSVP  
FOR WATCH  
PARTY**

**During the webinar, participants will hear:**

- How the competition works
- Where to find energy technologies for your business plans
- About the \$400,000+ prizes for students / \$100,000 prizes for faculty
- Stories from prize alumni

**\$400,000 in cash  
prizes available!**

*Limited seating offered on UMass Amherst campus:*

*Marcus Hall, Gunness Student Center*

***Snacks will be provided - RSVP required***
